

'CKF & Empanelled Doctors'

Cochin Kidney Foundation would like to help as many deserving CKD patients. For this their treating Doctor has to be empanelled with CKF.

What does CKF expect from the empanelled Doctors ?

1. To ensure that the Account Payee Cheque issued in the name of that institution is honoured.
2. To make sure that the best service for the amount given by CKF is to be delivered to that patient.
3. To propagate the aims and objectives of CKF.
4. Empanelled Doctor can bring in additional funds to Cochin Kidney Foundation so that his own patient can be benefited.
5. To help in conducting awareness programmes , screening for CKD in Camps

What are the responsibilities of CKF to the empanelled Doctor ?

1. CKF can provide details of the funds generated and the funds utilized by the empanelled Doctor every three months / six months / annually (CKF is audited every year).
2. CKF gives receipt for the Cheque or Draft brought in by the empanelled Doctor.
3. This fund will be distributed on the principles of service offered by the CKF to the patients on recommendation by the empanelled Doctor.
4. He can over draw up to a fixed amount at any time.

How can patients avail help from CKF ?

1. They can procure form from their empanelled Doctor / from the empanelled hospital or writing to Director Operations CKF. They have to fill up the form and forward it after getting recommendation from their treating empanelled doctor **to reach Director – Operations CKF before that month end. Ms. Madhu Blessy, Director of operations, 9-C, Coral Crest, SRM Road, Lissie Jn. Cochin – 682018, ph: 04842405441.**
2. Director – Operations CKF will select the deserving patients and will **intimate them by the first week of the next month** so that patient or their authorized representative can collect the help from the CKF from the administrative office on the **second Thursday of the month between 11 and 1 PM.**
3. CKF request form is available at 'CKF Website' so that patient can down load it directly.
